(remember you must add the relevant Compulsory and Voluntary Excesses together to calculate the total amount you **must** pay in the event of any claim made).

Age of Driver in Charge at Time of Accident:	Compulsory		Voluntary		Total
Less than 21 years	£450	+	£500	=	£950
Age 21-24	£350	+	£500	=	£850
Over 25 with full UK licence for at least 1 year	£200	+	£500	=	£700
Over 25 with a provisional UK licence or full UK licence held for less than 1 year	£350	+	£500	=	£850

(ii) If you have windscreen cover and need to claim for windscreen damage, the following excess applies: **Not covered - Windscreen Cover not selected**

(iii) If you make a claim for Fire and/or Theft, the following excess applies: **£250**

The Compulsory Excess stated above may change if you change your vehicle and/or ask to protect/guarantee your No Claims Bonus on your motor insurance policy. Please remember any Voluntary Excess you agreed at the start of the period of insurance forms part of the total excess that must be paid in the event of any claim made.
